A CHAMPIONSHIP GUIDE
FOR FUTURE CHAMPIONS

Rancho Mirage Rattler

ATHLETIC PROGRAM

Congratulations on your decision to join the RMHS athletic program! You are joining what will become a tradition of excellence to create one of the best high school programs in the United States. It is expected that you and your teammates set high performance goals and always put a “championship effort” into all that you do.

Athletics is just one of many parts of the educational program at Rancho Mirage High School. Remember, the reason students are in school is to learn and therefore academics will always come first! Always give a “championship effort” in the academic arena AND in the athletic arena!

THE VALUE OF CO-CURRICULAR ACTIVITIES RELATING TO FUTURE SUCCESS

Research indicates that students involved in co-curricular activities have a greater chance of success during adulthood. In fact, the greatest indicator of success in college is not GPA, SAT/ACT scores, or class rank; it is participation in extra curricular activities. Many of the positive character traits required to be a successful participant in athletics are exactly those that will lead to a successful life after high school.

“Success is showing character in everything you do.”

BE PART OF BUILDING A GREAT TRADITION!

Rancho Mirage High School

The Rattlers of the present are working together to build a great tradition in athletics at RMHS that will be the standard for all future Rattlers. All Rattlers are encouraged to become true student-athletes by demonstrating a CHAMPIONSHIP EFFORT on the playing fields and in the classroom. BE A MULTIPLE SPORT ATHLETE! We recommend that student-athletes participate in 2 or 3 sports each year of high school. You will learn things and have experiences in other sports that will help you become better in your favorite sport. DO YOUR BEST!

The Rattlers will be a “Freelance” team for the 2013-14 school year meaning we are not a member of any league. For the 2014-16 releguing cycle, RMHS will compete in the De Anza League with Desert Hot Springs, Desert Mirage, Yucca Valley, 29 Palms, and Big Bear. After that cycle, RMHS will most likely request to be placed in the Desert Valley League.

HOW TO PARTICIPATE IN RATTLER ATHLETICS

Your decision to become a Rattler student-athlete is a privilege and an honor. Each person must complete the following requirements to be eligible to participate on any Rattler team:

1. Complete the “Athletic Clearance Packet” on-line.
2. Have a physical examination by a medical doctor. Bring a copy of your physical to the athletic office. (Physical forms are available on-line but are not necessary. Your doctor may have his/her own form.) Physicals are valid for one calendar year. Student-athletes must have a physical every school year.
3. Be academically eligible. Each grading period, a student-athlete must pass a minimum of 4 classes and not drop below a 2.0 G.P.A.
4. Be eligible under all CIF Rules and Regulations.
5. Understand and follow all school and team policies with regard to conduct, attitude and proper training habits. (See Rattler Code of Conduct on pages 7 & 8.)

ACADEMIC ELIGIBILITY

The following eligibility procedures for student participation are to be followed in conjunction with BP 6145.

1. All students' grades will be checked at the time they are cleared for participation on a team or activity. The grades from the previous quarter will determine eligibility for the next quarter. This grade check is conducted by the Athletic Director and designated site vice principals. If a student is eligible at this time, no further grade check will be initiated for said student until the next school grading period (quarter).

2. All CIF eligibility requirements must be met for student athletes.

3. Entering ninth graders' first quarter eligibility and probation will be based on an eighth grade second semester/third trimester and summer school grades.

4. All students who have less than a "C" (2.0) average or have more than one "F" are put on probation for a quarter. For students on block scheduling, a quarter refers to a nine week period starting with the first day of school.

a. Coaches and extracurricular advisors will be notified of names of students who are placed on probation.

b. Students placed on probation will be told of their status and the probationary process as it affects them.

c. Students are limited to three probation periods during four years of high school.

5. Schedule of eligibility checks for probationary students:

a. Eligibility will be checked every three weeks throughout that sport (season) or activity for those students on probation.

b. Grade forms will be issued by Friday at the end of the three week period. If school is not in session on the Friday in which a grade check is scheduled to fall, then the grade check will fall on the following Monday.

6. Eligibility grade check:

a. Probationary students must: on Friday at the end of the three week period, have their Eligibility Grade Check Forms completed by all their teachers.

b. Student Eligibility Grade Check Forms must be turned into the coach, athletic director, or the extracurricular advisors at the end of that (Friday) day.

c. If the student has a "C" average with no more than one "F" he/she is eligible to remain on the team or participate in the affected activity.

d. If the student has less than a "C" average or has more than one "F", he/she is ineligible for the next three week period or next quarter grading period, whichever comes first, to determine eligibility.

7. Grade checks will be made during the four quarters of the school year.

A student cannot be on probation for two consecutive quarters. A student will be declared ineligible for extracurricular activities if a second violation occurs. Eligibility will be determined the following quarter. If a student has a "C" average with no more than one "F", he/she is eligible to participate in the extracurricular activity.

For example: A student is on probationary status during the first quarter of an extracurricular activity. The same student cannot be placed on probation in the second quarter, but instead will be ineligible to participate in second quarter extracurricular activities. He/she may again, if necessary, be placed on probation for a third quarter.

ATHLETIC PARTICIPATION & COMMITMENT

Every student attending Rancho Mirage High School is encouraged to participate in athletics and other co-curricular activities. Participation in the Rattler athletic program is a privilege and not a right. Such a decision by a student and their family should not be entered into lightly.

The decision to participate also involves a commitment to do your best to become the best student-athlete you can possibly become and to be a part of a team. To be successful, every member of the team must work together to make the whole greater than the sum of the parts. This commitment will be challenging and difficult at times but will help every participant become a better person because of their involvement. All participants are expected to fulfill this commitment for the entire season.

In certain special situations, a coach may allow a student-athlete to be released from his/her commitment to that sport with parent permission. "Quitting" a sport is not an acceptable action by any participant at RMHS. Difficult challenges are part of adult life and learning how to deal with these challenges are a big part of the values of athletic participation. If a student-athlete quits a sport, they may not participate in another sport until that sport ends its regular season.

Come Ready to Play

Athletes are responsible for coming to practice every day on time, ready to listen and ready to learn. All participants should be physically and mentally prepared for the season. This includes training in the off-season and taking care of your body and mind during the season.

Student-Athlete Concerns

If you have a concern about the team or your role on the team, it is important for you to arrange a time to meet with your coach to discuss the issue. This should be your FIRST course of action. Your coach will do his/her best to give an honest evaluation of your status. This coach-to-athlete meeting should resolve most issues or questions. **Your coaches want you to be successful!**

Team Selection

Many team sports must limit the size of their squad to provide time for proper instruction, safety concerns, and supervision. Cutting perspective student-athletes is a very difficult, gut-wrenching task that coaches must accept as a necessity to benefit the sport and the growth of the team as a whole.

Criteria for team selection is listed in handouts distributed at pre-season meetings and are reviewed numerous times. If a student-athlete is not selected one season this does not mean that he/she will never be selected for a team in that sport in future seasons.

We encourage athletes who have been cut to take on the challenge to work hard to develop their mental and physical skills to eventually make the team the following year. In many cases, these young men and women will go on to become major contributors to their team's success.

If a student-athlete tries out for a team and is not selected, he/she is invited to participate in a sport during the same season that does not limit the number of participants (e.g., football, cross-country, wrestling and track).

"We can complain because Rose bushes have thorns, or rejoice because thorn bushes have Roses."

-Abraham Lincoln

STUDENT-ATHLETE CONDUCT & BEHAVIOR

All Rattler student-athletes are expected to “do what is right.” As young adults, you have learned the difference between what is right and what is wrong from your parents, family, teachers and coaches. The Rattler CODE OF CONDUCT is designed to help student-athletes “SAY NO” when they are in difficult situations and must choose to make THE RIGHT decision.

Rancho Mirage High School will enjoy athletic success because of tremendous “team spirit” within our athletic programs. TEAM FIRST is the goal for all our players. Remember, everything you do not only effects you but those in your family, your team, your school, and your community.

It is not always easy to do what’s right, but it is always best to do what’s right.

The following CODE OF CONDUCT has been established and all student-athletes should know the rules and consequences if they choose to violate this code.

Discipline Yourself and Others Won't Have to.

CIF ATHLETES' CODE OF ETHICS

IT IS THE DUTY OF ALL CONCERNED WITH HIGH SCHOOL ATHLETICS:

To emphasize the proper ideals of sportsmanship, ethical conduct, and fair play. To eliminate all possibilities which tend to destroy the best values of the game. To stress the values derived from playing the game fairly.

To show cordial courtesy to visiting teams and officials.

To establish a happy relationship between visitors and hosts.

To respect the integrity and judgment of sports officials.

To achieve a thorough understanding and acceptance of the rules of the game and the standards of eligibility.

To encourage leadership, use of initiative, and good judgment by the players on a team.

To recognize that the purpose of athletics is to promote the physical, mental, moral, social, and emotional well-being of the individual players. To remember that an athletic contest is only a game-not a matter of life and death for player, coach, school, officials, fan, community, state, or nation.

LOCKER ROOM CONDUCT

Signs with wording such as below will be posted throughout the locker room areas. Students are expected to adhere to these policies and report those who do not.

Welcome to Rancho Mirage High School

This locker room/rest room facility is for the use of RMHS students and their guests. Please do the following to keep this facility secure:

- Do not share lockers!
- Clean your area as you leave each day.
- Lock your locker; keep all valuable items secure.
- Do what is right.
- Treat others who use this facility in the way in which you would like to be treated.
- Students are not allowed to be in the locker room, weight room, dance rooms, gym lobby, or either gym without a supervising staff member present. Students who do not comply with this regulation may be subject to disciplinary action.

Thank you on behalf of Rancho Mirage High School Students and Staff

TEAM LOCKERS

Student-athletes are assigned long team lockers whenever possible and their teams are in-season. Multi-sport athletes may be assigned a team locker for the entire school year, while single sport athletes may be moved out of their team locker to create space for the next season of sport.

It is a PRIVILEGE to be assigned a team locker! A student-athlete that does not follow the rules listed below may forfeit his/her team locker. Student security and safety in the locker room facility are priorities of the Rattler athletic staff. Each student-athlete is responsible to help keep the locker room safe and secure.

- Lock and recheck your locker each time you leave the locker room.
- No horseplay (injuries and/or bad feelings can result and hurt the entire team.)
- **DO NOT SHARE LOCKERS!** Period. Don't do it!
- Do not give out your combination to any other person.
- If you suspect that another person knows the combination to your lock, see your coach or the equipment person to get a new lock.
- Do not leave any items unsecured in an unlocked locker.
- Report any missing items to your coach immediately.

TRAINING ROOM - INJURY REFERRAL PROCEDURE

The training room is located in the gymnasium building with access available for both boys and girls. Our Certified Athletic Trainer is in charge of this facility. The training room is for the treatment and rehabilitation of injuries. All taping and support wraps for injured athletes will also involve a rehabilitation program designed by the trainer. Student-athletes will not play or practice when under the care of the trainer without permission to do so from the trainer. Athletes, with the help of their coaches and the trainer, must make a plan to be taped or treated on a regular basis.

If you are injured, notify your coach and the Athletic Trainer immediately. The earlier that an injury can be evaluated and treated, the faster it can improve. If an injury is serious, parents will be notified and the athlete may be referred to a sports medicine specialist or a physician (with parent permission). The potential for injury is inherent in any physical activity and is accepted by each athlete and their family when the decision is made to become a participant in the athletic program. The goal is to keep every student-athlete in top physical condition throughout the entire season.

TRANSPORTATION RULES

Rattler athletes are expected to conduct themselves with the utmost integrity on all trips. Athletes are expected to be courteous and to help the bus drivers whenever possible. At no time are athletes allowed to act in a way which will reflect poorly on Rancho Mirage High School.

All Rattler student-athletes are responsible for their own behavior at all times. Your conduct reflects on your family, your team and our school. Conduct which reflects poorly on RMHS will result in immediate consequences which may include parents being required to pick up their students, suspension from further trips, or dismissal from the team.

RIDING HOME WITH PARENTS

All Rattler student-athletes will ride to and return from all athletic contests on the team bus unless prior approval has been given by the athletic director (or in emergency situations as per coach discretion).

In some cases, it may be necessary for a student-athlete to be released after a contest to ride home with their parents due to an unavoidable situation or multiple activities scheduled on the same day. Advanced planning by the student-athlete and their parents is a **MUST!** Students/Parents must communicate with their coach and the athletic director to make plans for such a release in advance.

Athletes may only be released to their parent(s). Parents may not give permission to have their students driven home by another adult.

EMERGENCY SITUATIONS: If an emergency situation occurs (medical, family, etc.) where advanced permission was not possible, the coach will use their discretion and judgment. The student-athlete may only be released to their parent(s). Forgetting to get advance permission does not constitute an emergency.

FUND RAISING & BOOSTERS

Very soon, booster organizations will be formed for the benefit of Rancho Mirage High School. We encourage all parents to become involved with these organizations in any way possible. It is the philosophy of all co-curricular programs at RMHS to limit fund raising projects so that our community is not saturated. This also allows our players and coaches more time to concentrate on their specific sports. However, raising funds to support athletic programs is necessary to enhance the athletic experience for all participants.

FEES FOR PARTICIPATION AND EQUIPMENT

Students or their families will **never be required to pay any fees to participate in athletics** at Rancho Mirage High School. If you are ever asked to pay a fee, please report this to the athletic director immediately. At the conclusion of each season, student-athletes are required to return all school issued equipment/uniforms and are responsible for paying for lost items. Equipment is expected to be kept clean and in good working condition during the time it is assigned to the athlete.

NCAA ELIGIBILITY CENTER

Many college athletic programs are regulated by the National Collegiate Athletic Association. The NCAA is an organization founded in 1906 that has established rules of eligibility, recruiting and financial aid. The NCAA has three membership divisions: Division I, Division II and Division III. Institutions are members of one or another division according to the size and scope of their athletic programs and whether they provide athletic scholarships.

Many other colleges and universities belong to the National Association of Intercollegiate Athletics (NAIA). These are mostly smaller colleges such as Biola, Westmont, Concordia, La Sierra, Cal State San Marcos, etc.

If you are planning to enroll in college as a freshman and you wish to participate in NCAA Division I or Division II athletics, you must be certified by the NCAA Eligibility Center. The Eligibility Center (formerly known as the NCAA Clearinghouse) was established as a separate organization by the NCAA member institutions in January 1993. The Center ensures consistent interpretation of NCAA initial-eligibility requirements for all prospective student-athletes at all member institutions.

You can access the [Eligibility Center](#) at:

http://web1.ncaa.org/ECWR2/NCAA_EMS/NCAA.jsp

YOUR RESPONSIBILITY AS A PROSPECTIVE STUDENT ATHLETE

It is your responsibility to make sure the Eligibility Center has the documents it needs to certify you. These documents are:

1. Your completed and signed Student Release Form and fee*
2. Your official transcript mailed directly from every high school you have attended
3. Your ACT or SAT scores
4. Foreign Student Application, if applicable

WHEN TO START THE PROCESS

If you want to participate in Division I or Division II athletics, plan to start the certification process early – usually the end of your junior year in high school. See your counselor for more information.

*Students who qualify for free and reduced lunch may qualify for a fee waiver for the Eligibility Center as well.

VARSITY LETTER INFORMATION

Only those athletes who have earned a varsity letter at the conclusion of their sport may wear the letter jacket of Rancho Mirage High School. Letters for varsity sports may be picked up in the athletic office after the varsity coach has turned in his/her list of varsity letter recipients to the athletic office following the conclusion of their sport season. A student-athlete must complete their sport season in good standing to be eligible to wear a Rattler Varsity Letter.

Varsity letter recipients will be given one letter only at the time they earn their first varsity letter. Athletes that letter in other sports will receive embroidered inserts for each sport. Sport insignia inserts may be obtained free of charge from the athletic office after the varsity coach has turned in his/her letter winners at the end of the season.

Scholar-Athlete Patches are awarded to those athletes who have earned a varsity letter and have earned a minimum 3.0 (unweighted) GPA . Athletes will be given one patch only and then are awarded rattles to be placed on the patch at no extra cost for each semester that they attain a 3.0 GPA. Patches and horseshoes may be obtained in the Athletic Office.

The design and colors of the official Rancho Mirage High School varsity letter jacket (men's and women's) may not be changed or altered in any way. All letter winners are expected to follow the following guidelines when adding embroidery or additional items to jackets:

1. No gang slogans, insignias, or related items
2. Nothing derogatory toward other schools, ethnic groups or individuals
3. Only accomplishments already earned by the athlete may be added to the jacket
4. Only varsity level accomplishments are to be worn on the varsity letter jacket

It is the student-athletes option to choose where to purchase their jacket. See the athletic director for recommended, trustworthy merchants.

ATHLETIC AWARD INFORMATION

The following is a list of awards that Rattler student-athletes have the opportunity to earn during their varsity athletic careers. Our athletic staff hopes that this will help all Rattlers to set high goals and have the determination and desire to accomplish great things during their time here at Rancho Mirage High School. Our main objective is team success and bringing positive recognition to our school and community. With team success, individual accomplishments are recognized.

RMHS VARSITY ATHLETIC AWARDS:

Varsity Letter

When a varsity athlete meets the criteria as determined by the athletic department and by the head coach, he or she earns the right to wear a RMHS varsity letter and to purchase a varsity letter jacket. The criteria to earn a varsity letter may differ from sport to sport as determined by the head coach of the sport. At the conclusion of the season, head coaches send a list of letter winners to the athletic office. Being a member of a varsity team does not automatically qualify an athlete for a varsity letter.

League Championship Patch

Each member of a varsity team that wins a League Championship receives this award to wear on their letterman's jacket.

Captain's Insignia

Varsity teams and head coaches sometimes designate captains for the season or portions of a season. These captains are eligible to wear a captain's "C" on their letter jackets. Inserts are available at no cost in the athletic office. At the conclusion of the season, head coaches send a list of captains to the athletic office.

Scholar-Athlete Patch

This award is presented to all varsity letter recipients who earn a minimum 3.0 GPA at the end of each semester. Athletes will be given one patch and then are awarded rattles for this patch for each semester that they attain a minimum 3.0 GPA.

Triple Threat Patch

This is one of the most prestigious awards at RMHS and is presented at the end of each school year. To qualify for this patch an athlete must earn a varsity letter in three varsity sports during the school year. Triple Patches are presented at no cost to athletes.

Tri-Sport Athlete Award Certificate

This certificate is presented to those student-athletes who participate in three sports during the school year at any level of competition (Varsity, JV, Frosh/Soph or Frosh).

Three Year Varsity Letterman Award

This award is presented to those seniors who have earned varsity letters in the same sport for a minimum of three years. The award is a Lifetime Pass to all Rattler home athletic events for the recipient.

Hall of Fame Award

INFORMATION FOR PARENTS

Parent/Coach Relationship & Communication

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefit to our children. As parents, when your children become involved in our program, you have the right to understand the expectations that are placed on your child. This begins with clear communication from your student-athlete's coach. Participation in high school athletics is a privilege and not a right.

As your student-athletes become involved in the athletic teams at Rancho Mirage High School, they will experience some of the most rewarding and challenging experiences of their young lives. Not everything will go according to plan for your son/daughter. It is not a matter of whether or not an issue will arise, but when, and most importantly how the issue will be dealt with.

This is the time when your student should set-up a time to talk to his/her coach. It is extremely important that your son/daughter approach the coach to set up such a meeting. This type of communication will help give both the coach and the athlete a better understanding of expectations of all involved. This is also a crucial part of a young person's growth into adulthood.

Communication You Can Expect From Your Coach

1. Expectations the coach has for your student as well as all of the players on the squad.
2. Locations and times of practices and contests.
3. Team requirements such as special equipment, off-season expectations.
4. Procedures to follow should your student be injured during participation.
5. Discipline that results in the denial of your child's participation.

6. The availability of the coach to speak with your student if they have a problem.

Communication Coaches Can Expect From Parents

1. Concerns expressed directly, at the appropriate times, to the coach.
2. Notification of any schedule conflicts which involve absence from practices or contests well in advance.
3. Your support for the program that your student has chosen to participate in and positive encouragement for all involved.

Appropriate Concerns to Discuss with Coaches

It is very difficult to accept that your student-athlete may not play as much as you may have hoped. Our coaches are experienced, professional educators. They use their experience and expertise to coach young men and women and are required to make judgment decisions based upon evaluation of practice performance and what they believe to be in the best interest of all those involved in their program. As you read the items below, certain topics can and should be discussed with your student-athlete's coach.

1. Concerns about your student-athlete's behavior and/or academic progress.
2. Suggested ways to help your student-athlete improve.

Issues NOT Appropriate to Discuss with Coaches

1. Playing Time
2. Team Strategy
3. Play calling/game strategy
4. Other student-athletes

What To Do If You Have a Concern

1. Have your student-athlete meet with his/her coach to discuss an issue. On most occasions, this coach-to-athlete meeting can resolve issues or questions. As stated earlier, this is an integral part of our young men and women learning to grow as adults.
2. Call or email the coach directly and set up a possible meeting to discuss your issues. Remember, the desired outcome is to resolve the issue, not to inflame it.
3. Please DO NOT attempt to talk to a coach before or after a contest or practice. Our coaches are responsible for supervision and safety of their athletes. In addition, these can be emotional times for both the parents and the coach. Meetings of this nature do not promote resolution and will not be tolerated at any time.

If a Next Step is Necessary

Call or email RMHS and set-up an appointment with the Athletic Director, Chris Calderwood, and the coach to discuss the situation. At this meeting, issues of concern will be discussed and an appropriate plan of action developed.

Team Selection

A Letter to Parents and Student-Athletes

Dear Parent/Guardian and Student-Athlete:

In each program, a coach and/or coaches are hired by the school district to be responsible for team selection. Criteria for selection are established by the head coach with input from the entire coaching staff. This may be a subjective process. Team selection, practices and decisions regarding game situations are the responsibility of the coaching staff.

The Rancho Mirage High School athletic program is highly competitive. In certain sports, we are not able to place every child who wishes to participate on a team. While this is not our desire, this is a reality. The most difficult task facing our coaches is to let great young men and women know that they were not selected for a team. Doing so is not something that coaches like at all.

Please be sure when your child tries out for a team, both you and they understand there is a very real possibility they may not be selected. If selected, both you and your child should be prepared to accept placement at any level, i.e. freshman, junior varsity, or varsity. It is disturbing to have a student try out for a team and then quit when they are not placed where they think they should be. By doing this, they have taken away someone else's opportunity to be on a team. At RMHS, quitting a sport is not accepted. When a student-athlete chooses to participate in a sport, their commitment lasts for the entire season.

Normally, during the tryout period, coaches have a limited amount of time to make team selections. They do the best they can in keeping the most talented athletes, filling positions for play, and placing athletes on the proper team. Coaches are under a good deal of pressure to assemble the most competitive team possible. Any one of us might select different athletes for the team. We believe it is the coaches' responsibility to select the team with whom they will work for the entire season.

Our experience in athletics reveals there are many "select or traveling teams" sponsored by many different organizations. Participation on a "select or traveling team" does not guarantee any player a spot on a high school team. While we believe players can gain valuable experience outside of the school athletic program, neither parents nor students

should count on this type of participation to “guarantee” a spot on a high school team.

The main goal of a competitive athletic program is to put the most talented members of the team in competition. Starting positions and playing time are not guaranteed to seniors making the team, or anyone else for that matter. Each member of the team is very valuable to the team’s overall progress. Some members may play a great deal of the time in a contest while others may not see what a parent would consider “significant” playing time.

Each student- athlete should have personal improvement as one of his/ her goals. By being a member of a team, regardless of time spent in actual competition, a person can learn many valuable lessons. Among them are: citizenship, sportsmanship, appreciating good play by an opponent, working together to meet team goals, responsibility, commitment to team and school, loyalty, placing team above self, learning to accept instruction and criticism, respect for others, winning and losing with dignity, self-control, and being responsible for one’s own actions.

We sincerely hope this helps you to understand the goals and philosophies of the competitive athletic program at RMHS.

GO RATTLERS!

Being a Supportive Parent

(taken from Coach Herb Meyer, El Camino HS, CIF San Diego Section)

1. Be positive with your child.
2. Don't offer excuses for your child if they are not playing.
3. Don't "put down" the coaches – be supportive in front of your children.
4. Encourage your child to follow the team rules.
5. Insist on good grades!
6. Don't develop envy toward other players because you don't like their parents.
7. Don't be a know-it-all.
8. Insist on your child's respect for team rules, game officials, and sportsmanship.
9. Encourage your child to improve their self-image by believing in themselves.
10. Encourage your child to play "for the love of the game."

Work to Develop Positive Sports Parenting

(by George Selleck, Sports Psychologist)

1. Use sports to reinforce family values.
2. Teach children to cope with frustration.
3. Teach children to make good choices about tobacco, drugs and alcohol.
4. Build character.
5. Teach children to respect themselves and others.
6. Communicate effectively with the coach.

Parents CODE OF CONDUCT

(by Dr. Laura Finch, Western Illinois University)

1. Remain in the spectator area during competition.
2. Do NOT yell instructions or criticisms to the players.
3. Make no derogatory comments to players, other parents or fans; officials, or administrators.
4. Do NOT interfere with your child's coach.
5. Be willing to let the coach be responsible for your child during the duration of the contest.
6. Provide unconditional love, acceptance and emotional support regardless of the games' outcome.

Conduct at Athletic Events

Thank you for attending today's event. We hope that you enjoy the contest! In order to provide a pleasant and safe environment for all spectators and participants, all participating schools' staff and students ask that all fans do the following:

- REMEMBER that this is a high school athletic event. All participants (players, coaches, officials, and fans) are involved in this phase of education of our student-athletes. Our school endorses the principles of Pursuing Victory with Honor. All involved should display proper sportsmanship and play by the rules of the game because it's the right thing to do!
- Do not coach from the bleachers. It embarrasses you, your child and those seated near you.
- Support your team by being a positive representative of your family and your school.
- Cheer for good play.
- Refrain from intimidating or harassing players, coaches, officials, or other fans.
- Use proper language at all times.
- Remain in assigned seating areas – spectators are not allowed in the playing area.
- Follow safety rules and CIF regulations.

Admission to this event is a privilege and not a license to display insensitive or offensive behavior.

Coaches, program administrators, sport officials, and the athletes themselves have a right to demand that spectators conform to acceptable standards of behavior.

Enjoy the event by being a FAN, not a fanatic!!

COLLEGES AND SCHOLARSHIPS

Recent studies have shown that the percentage of young men or women being offered an NCAA Division I full scholarship is 0.08%! In other words, it's easier to become a National Merit Scholar Finalist than to receive an athletic "full ride" scholarship. It is very important to understand that high school coaches ARE NOT responsible for getting student-athletes college scholarships. However, high school coaches do work very hard to make sure that the high school student-athlete maximizes his/her potential in both the athletic and academic arenas.

Parents can help improve the odds of their student participating in sports at the collegiate level by:

1. Learn about the different divisions and the types of scholarships and grant opportunities available.
2. Determine if your student really wants to play at the collegiate level.
3. Have a realistic evaluation of what level your student can participate in at the collegiate level. (Remember, there are over 25,000 high schools in the nation.)
4. Remind your student to enjoy their high school sports experience.

Here are a few suggestions to help parents learn about participation in athletics at the collegiate level:
